OLD BUSINESS

Parish Directory information is in the hands of the publisher.

Fish Fry tickets are on sale; the date is set (June 17) and the Central Coast Women for Fisheries is eager to get going.

Telephone Service: The telephone company has made the changes in the monthly service contract and our bills ought to reflect the change in July.

As for the Yellow Pages advertising, the effort to make changes has begun and the company has already not followed through on promises. More work needs to be done.
